TO WHOM IT MAY CONCERN

This is to inform you that Rajdeep Das, was selected as a Leader in the 18th edition of Internshala's flagship campus ambassador program - Internshala Student Partner program (ISP). Only a handful of ISPs are promoted to such leadership positions as they show promise in their performance as an ISP.

During Rajdeep Das's tenure as a leader, Rajdeep Das was given the responsibility to motivate more than 1000+ ISPs to perform better by giving them tips and answering their queries through whatsapp groups and social media platforms. Alongside these responsibilities, Rajdeep Das took part in different activities which required skills such as cold calling and persuasion. After working with Rajdeep Das for nearly 70 days, I am happy to say that Rajdeep Das has proved to be a smart worker and outshined in all the duties assigned as an ISP leader.

Rajdeep Das truly is a reliable and committed person to work with, I wish Rajdeep Das all the best for all future endeavours.

Kind regards,

A handwritten signature in blue ink, appearing to read "Samay".

Samay Bhatnagar

Head - Internshala Student Partner program
